CHELTENHAM PARK

A TESTAMENT TO ACHIEVEMENT.

When a tranquil setting less than 30 minutes from downtown creates a backdrop for inspired home design, the result is a special kind of community. Welcome to Cheltenham Park, a prestigious new address by Haverford Homes. Cheltenham Park rewards your aspirations with exceptional design choices, elegant streetscapes, tucked-away cul-de-sacs and clusters of mature trees. In fact, many homesites back to woodland

preserves. Strategically located near Woodyard Rd. and Rte. 5, less than 10 minutes from the Beltway, you'll enjoy easy access to nearby outdoor attractions like Tanglewood Community

Park and Piscataway Creek Park. Haverford Homes is pleased to offer its Executive style homes, featuring 4-5 bedrooms and upscale design choices like master suites with adjoining sitting rooms, gourmet kitchens and light-filled sunrooms.
